Registered charity no. 1077265/1

St John Ambulance has 45,000 members who are committed to caring and saving lives. Our life saving teams are in action every minute of the day, every single day of the year. Whatever happens and wherever it happens, our volunteers are ready and willing to move fast to help save lives. As well as planning for - and attending public events such as the London Marathon, concerts and football matches, our volunteers have to be ready to react to each and every emergency within minutes of receiving a call. Our members are trained and equipped to respond in emergency situations.
